## **PLEASE SEND AT LEAST ONE PHOTO OF YOUR BOOTH OR THE ITEMS YOU ARE SELLING WITH THIS APP.**

You must provide tent, tables, chairs, etc. We will advertise the event heavily and will have restrooms and food on site. We will have one large tent for those who wish to setup under it. The tent will only have space for eight 6 x 10 vendors to setup. If you want more space than 6 x 10, you extend outside the tent at your booth.

Parking WILL be allowed at your booth.

There is an overflow parking lot across the street if you don't want to park at your booth.

There is a grocery store and restaurants in town as well.

Setup will start at 8am on May 4th - all vendors must be setup by 10am.

Vendors are not allowed to take anything down early.

Event is held rain or shine. No pets please.

No knives, pipes, adult materials or anything related to marijuana is allowed on premises.

This event is for Gems, Minerals, Fossils, Meteorites, Jewelry, etc. It is not open to items unrelated to a rock and gem show.
